INDUSTRY PARTNERS

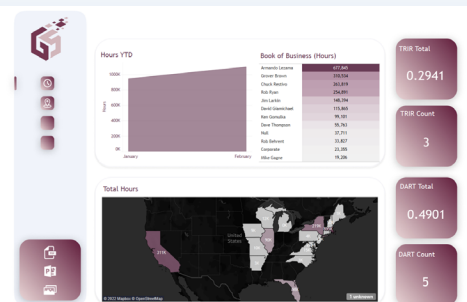

HEALTHCARE

A Tableau dashboard can identify trends with payors for your medical or dental practice. Let G5 handle the reporting, so you can get back to running your business.

LOGISTICS

Let our dashboards track and reward your sales team for a job well done. Automatically send professional reports to your clients each month and save time for your entire staff.

HUMAN RESOURCES

Custom interactive dashboards can manage all of your employee information. With our user-friendly tools, anyone can learn and use our dashboards.

*"This is my second time working with G5 Consulting -they are worth every penny!
Very flexible and understanding. They over-delivered and did more than I asked for this job.
Absolutely exceeded my expectations in terms of quality of work and the time they took to get it done."*
